## Tolono Library Services

The Tolono Public Library is dedicated to providing resources to expand and improve the quality of life for the residents in its district. They continue to develop and expand their collection to meet the recreational and educational needs of their patrons.

Through programs, events, reciprocal borrowing and inter-library loans, the library facilitates learning and supports the joy of reading for their valued library patrons.

A representative from Tolono Library comes to the Windsor twice a month so residents can check out books right here at the Windsor!

Book check out and return is handled by Tolono Library staff and Windsor Life Enrichment Coordinators during the weeks the representative is not here at the Windsor.
